

## SHARE-IT DISCUSSION GROUP MISSION STATEMENT

"It's All About Jesus"

To provide a welcoming and sacred space that is comfortable and confidential for our parishioners and friends to share our personal stories and journeys. We will seek ways to encourage each other to continue our personal walk toward our final destination in eternity. We strive to imagine our eternity being spent in the Presence of the Father, Son and Holy Spirit!

Together we'll try to dispel the "What The Heck Attitude" where so often we think we've got it made and we stop trying... let's not forget our goal - HEAVEN!

Don't stop doing what pleases God!

What are we doing to grow in God's favor?

Are we being too complacent and comfortable?

Please consider joining us - all are welcome!
